Mrs. Renu gupta was an intelligent, creative and energetic woman. In spite of being an M.Sc. in chemistry, she was a homemaker. She wants to supplement her family income, but did not want to opt for a job. She met American who was interested in artificial jewelers. She got that jewellery done through local artisans and then showed them to the american fiestomer, who was highly appreciative. Later on few arrangements were made and Renu managed to get few orders from the Americans.

After the success of one order, slowly she started expanding her business in global markets. Together with bank loans and money from friends and relatives, she floated in export markets. Besides

jewellery, she tried her hand in cane furniture also. she discovered that there was less competition in case of cane furniture. She would hold exhibitions to sell out cane furniture's in domestic markets as well. Through observations, direct interactions with the customers and reading she formed practical ideas about the type that would appeal to western customers. Thus, slowly and gradually she could sell out in domestic as well as in global markets. Later on, she stopped taking part in exhibitions and thus did not allow anyone to see her disigns. Only trusted employees were allowed to see the designs and since employees were happy and satisfied, there was no question of any breach of trust.
